

# WADYS NEWS

**We are pleased to announce four new appointments to strengthen the company for sustainable growth & development.**  
**Dave Bishop will become Managing Director from 18 January 2021. He succeeds Doug Wady who becomes Chairman to oversee the successful development of the company.**  
**Steve Rennie becomes Commercial Director & Dan Allison Contracts Director.**

## COMPLETED PROJECTS 2020

**1st fixing during Covid was the easy bit! Completing projects & handing them over presented much more of a challenge.**

Tighter deadlines, more trades, client changes etc makes us very proud of all our staff in handing over the following in 2020:

**Oaklands College 80 bed Student accommodation** for Willmott Dixon Total Value £9M

Handed over defect free in July. This was an M&E project for us with DHP as our partners.

**Bedford Hospital Education Centre** for Ashe Construction.

This was a £1.2M refurbishment in a live environment. Started & finished during the pandemic.

**Magenta - A 5 storey storage facility + Edward Peake Middle School £5m extension** for Ashe Construction

**Waterlane 53 Bed Extra Care Home** for Wildgoose Construction Value £5.5M,

we carried out the electrical package for Ambivent

**Wintringham Primary Academy** for Morgan Sindall £14.2M. We carried out the electrical package for Kershaws Mechanical Services.

**Great Horwood 30 luxury houses** for Croudace Homes. All sold

**Madingley Road 15 luxury apartments** for Dean & Dean Construction

## COVID 19 UPDATE

We have been lucky enough to stay open throughout Covid -19, we have provided our staff with PPE and cleaning equipment and we have been working on sites that are Covid secure.

I think you'll agree our Models Dave & Doug look better with masks on.

## CHARITIES WE HAVE SUPPORTED DURING 2020 & CHRISTMAS

This year more than ever we have realized how lucky we have been to be able to continue to work while many have not.

**facesbedford.org** Along with the kindness of some of some of our suppliers (Firelec/ IMC/Jolly's toy shop) we donated toys, chocolates & board games to help this wonderful charity support children & families.

**noahenterprise.org New Opportunities And Horizons** We have supported Noah for a number of years & again with the help of our suppliers (Electric Centre/Rexel/NSS/Cams) we donated HiViz jackets & steel toe cap boots to help their clients get back to work.

**Come Dine with us** community larder have been busy feeding those in need & we have managed to help out with some much needed electrical work. Our very own Lisa Richbell volunteers there once a week.

We have made a few small donations to Extramile challenges extra-mile.org.uk, littlemiraclescharity.org.uk – Chris May dressed up as Father Christmas to deliver to a few of the 1000 children they supported this year & also Save the children.

## NEW APPRENTICE

We are delighted to welcome another new Apprentice Daniel Toft who started with us in November last year. Daniel is studying a City & Guilds Level 2 Technical certificate in Electrical Installation at Bedford College on day release. He is currently working on a new Medical Centre in Ware. We are sure that Daniel is going to be a great asset to our team.

## JAY - SSSTS

Congratulations to Jay Billings who has recently completed his SSSTS course and has now become one of our qualified supervisors.

We issue a black hard hat for our supervisors so they can be easily recognised on site as the main point of contact. Jay is definitely smiling under the mask after we issued him the hard hat!

## IN MEMORY

We received the sad news in July that one of our electricians Chris Price sadly passed away. Doug said: *"I'm totally lost for words & can't explain this tragic loss of life of someone who always put a smile on your face. It goes without saying that our thoughts are with Nayomi, his 2 young children & his parents."*

We would like to thank our customers, Staff and suppliers who donated to the families 'Go Fund me' page. We are in touch with Nayomi and we know how much she is touched by all the support and kindness that the family has received.
