

Willow Grove Primary School 4FE Solar PV

Covering most of the roof is a 185 kWp system with an estimated annual system generation of 164,152 kWh.

It's been a while since our last newsletter (March 2023) but we have been keeping our website updated. We had a very slow start to 2023 as projects were delayed & some cancelled but things picked up towards the end of the year.

The start of 2024 was particularly busy for us & we completed some lovely projects, see below.

The year ended quietly for us but already the projects we had been negotiating for some time are starting to pick up pace & we should have a very busy 2025.

Completed Projects

Fulbrook School
Sports Hall & Two-storey Teaching Block

Bedford School
Refurbishments to Eagle House, Palmers & Tisdalls, & Godber House M&E

Prince William School
New Sports Hall

St Mary's School New classrooms extension & refurbishment M&E

Various EV Sites including one with 22 car chargers

Racing Team at Silverstone
Fit out of existing building

West Green Barrington
Large new house

Linton Fire Station
Refurbishment M&E

Willow Grove Primary School Wixams, M&E

Drayton Manor School
Servery/Seating area & Sixth Form breakout area M&E

Green Ridge Primary School
1FE Extensions including 9 classrooms 4 treatment rooms & 2 clinical suites

Potton Hall
New Community Centre

Cranfield University Building 84
Offices in aircraft hanger

Repton Gardens
Super surgery for 16 GP's including 14 consulting rooms,

Projects we are currently working on & should keep us busy for a while

Watford Colosseum - Addenbrookes Hospital - Seymour Leisure Centre - Leighton Linlade Leisure Centre - Manor High School - London Zoo - Dunton Lower School

Employer Supported Volunteering

Do you know that every employee at Wadys has a paid day that they can give to a charitable cause?

Some of the team decorated a flat for the Kings Arms Project.
<https://kingsarmsproject.org>

We also returned to support the incredible work the Bedford Foodbank team do every day.

Social Responsibility

Christmas Donations

Once again we supported the Willmott Dixon Christmas food donations on two sites we are working on Willow Grove Primary, Beds and Seymour Leisure Centre, Westminster. Our usual donation to a local charity, this year was 'Living it Up Performing Arts' a great local charity in lieu of Christmas gifts to customers.

Careers Events

As part of our ongoing commitment to helping with the skills shortage our industry faces, the Wadys team, including Dan, Dave and apprentices Will & Emily, have been attending a careers events recently at Vandyke School, Beds, Henlow Academy and Bedford College.

We have now supported the Blues for over 20 years & this year we are Gold sponsors & the Team are having a fantastic year on the pitch.

Bedford River Festival

We entered the Bi-Annual Bedford River Festival raft race to help raise money for Bedford Hospital Charity & Friends. Doug was also one of the organiser's & in total the event raised **£5,421 for charity**.

Staff News

In January 2024 Sharon Greenman was employed as our new book keeper, to join the Wadys Team.

Dave Bishop our MD reached a milestone last year and has been at Wadys 20 years.

Willmott Dixon Football Tournament Win

A huge congratulations to the Wadys team for winning! After a fiercely competitive final ending, 0-0, we secured the victory on penalties against the L & E Trainees team. A big thank you to Willmott Dixon for hosting such a fantastic event all for a brilliant cause, the St Francis Hospice.

Apprentices

Apprentices continue to be valued members of our team, working on site alongside their mentors, helping us to provide an excellent service to our clients and also giving back to the local area. Pictured are some of our apprentices from left to right Will, Emily, Jack and Harry.
